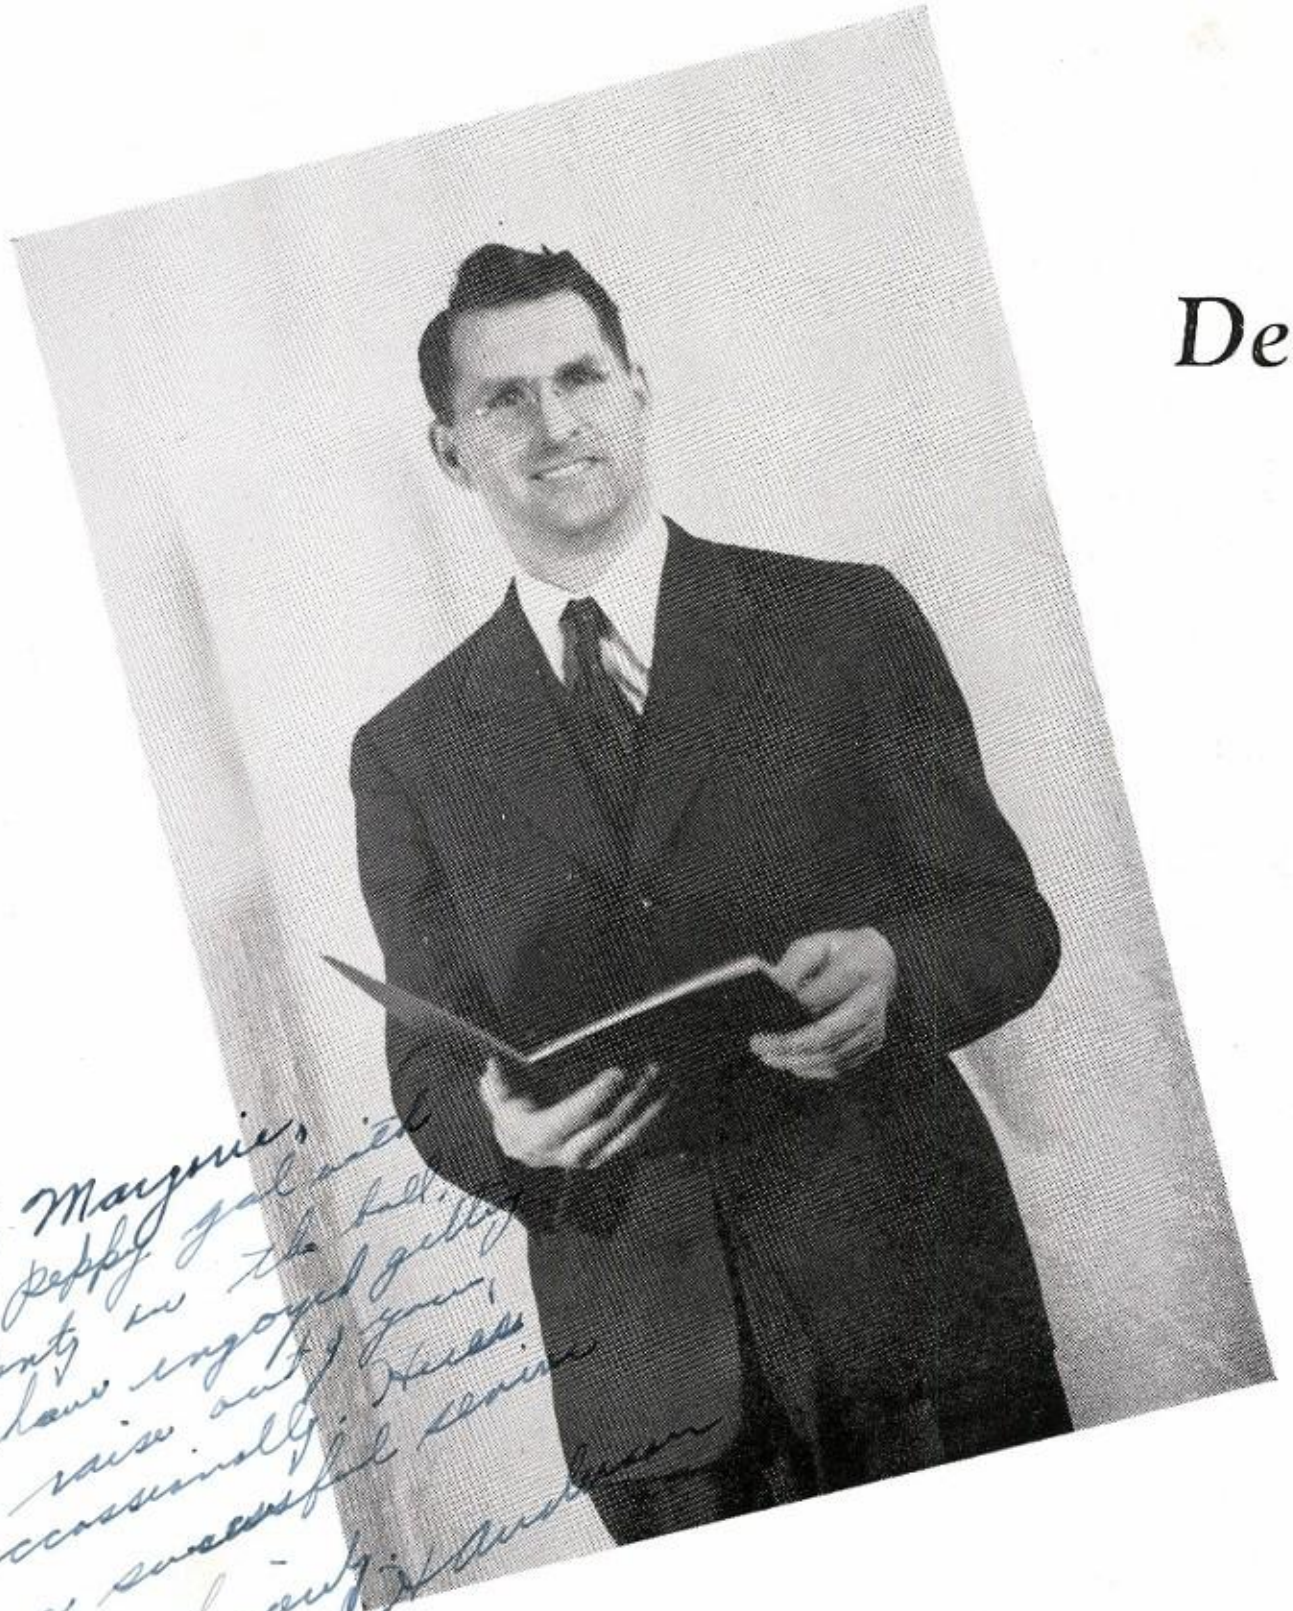
Dedication . . . .



CARL H. ANDERSON, A.B.

We, the Senior Class of 1947, hereby dedicate this 35th volume of the Ithacansian to our Principal, Mr. Anderson, in appreciation for his cooperation, and leadership. His advice and understanding has added much to our high school career. We feel that this friendship is not one to be forgotten.

REYNOLD E. MICK, Superintendent

Reynold E Mick

Superintendent Reynold E. Mick has been with us but a short time. During this period we feel that he has become our invaluable advisor and friend.

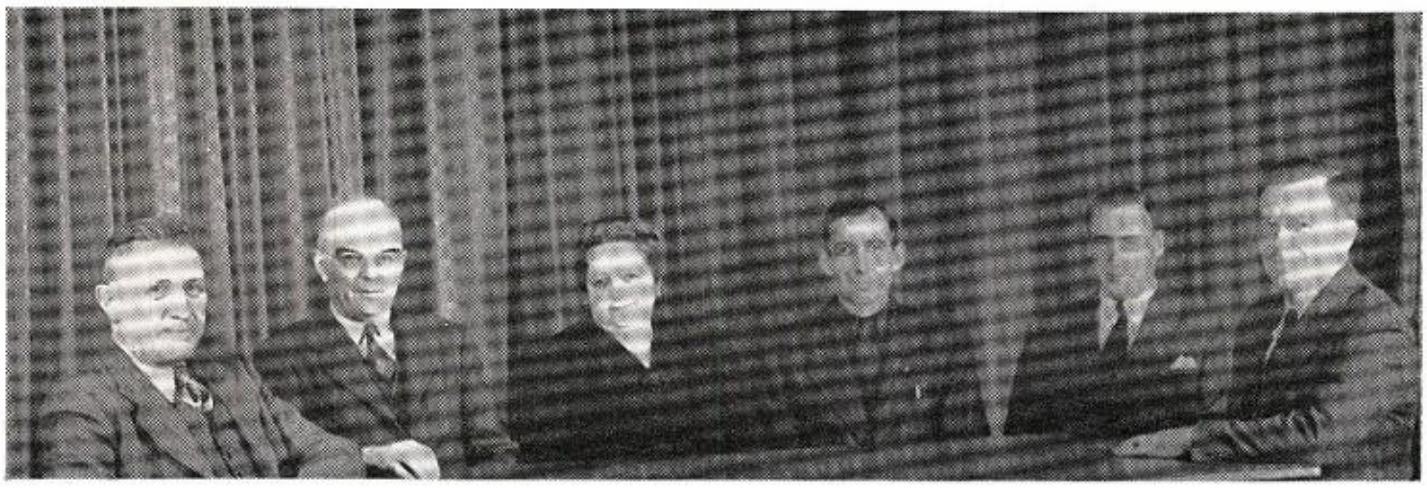
Mr. Mick has the ability to handle situations which arise with tact and a thorough understanding of the student.

His personality has impressed upon the minds of the students of I.H.S. the real meaning of cooperation.

Mr. Anderson, after previously serving two years as a teacher in the High School, has most certainly earned the respect and admiration that the students have for him in his role as principal this year.

CARL H. ANDERSON, Principal

SUPERINTENDENT'S OFFICE



Dr. M. J. Budge, President; M. J. Haley, Secretary; Judge Mildred E. Taft, Trustee; Donald L. Baker, Treasurer; Wilbur G. Hubbard, Trustee; Supt. Reynold E. Mick.

The thoughtfulness and consideration of the Board of Education in the Ithaca Public Schools is deeply in evidence and greatly appreciated by the student body.

Without its cooperation and help, the progress that has been made this year would have been impossible.

To them we owe much in the way of improvements to the buildings, the new heating system and electric mimeograph purchased by them this winter.

This organization of farm boys has been a busy one this last year. As we recall our activities and accomplishments, we find that last September we were awarded a silver plaque and a cash prize of twenty-five dollars by the State Department of Agriculture for our outstanding program of livestock and crop projects.

At the County Fair last year, four of our boys, Luther Hull, Vernon Hirschman, Bill Andrews and Arthur Andrews, caught Hereford steers in the Calf Scramble. These animals will be ready for market next fall.

It was during the last week in August some of our boys showed and sold steers at the Breckenridge Junior Fat Stock Show and Sale. Boys selling animals were Neil Crandell, Dick DeVuyst, Melvin Maxwell, Keith Street and Miles Zimmerman.

Last October a group of F.F.A. boys visited the Detroit Stock Yards for two days, and during that time the following boys sold their steer at the Detroit Fat Stock Show and Sale: Vernon Hirschman, Melvin Maxwell and Melvin Parling.

In November the group held their annual Parent and Son Banquet which was well attended by the boys' parents, the school teachers and the school board members.

Ithaca F.F.A. members were hosts to all the F.F.A. groups in Gratiot and Saginaw counties last February when the annual contests which include Public Speaking, Parliamentary Law and Livestock Demonstrations, were held in our gym.

The month of March found our group going to Michigan State College, East Lansing, where eleven of our members attended the State F.F.A. Convention and heard the winning contest teams. At this convention, three of our members, Luther Hull, Vernon Hirschman, and Miles Zimmerman, were presented with the State Farmer Degree and the gold pin of a State Farmer.

In April our boys received another honor and tribute from the State Department of Agriculture, for they were presented with another cash prize of thirty-four dollars and the group was rated "excellent" for its agricultural accomplishments for the year.

STUDENT COUNCIL

Mr. Anderson (Principal), Mrs. Fowler (Dean of Girls), Dale Vernon, Joan Harred, Jack McCall, Lois Hayes (Vice-President), Calvin Miller, Irene McCall (President), Sybil Laird, Melvin Maxwell, Margery Rose, Jim Whitman, Alice DeRycke (Secretary & Treasurer).

The Student Council, first organized in the year 1932, has progressed year after year—each council helping to make Ithaca High School one respected by both students and faculty.

Meetings are held every week at which time the Council members aim to present suggestions to the faculty and students on matters pertaining to both. Through its several committees, the Council is able to exercise a great influence in all the activities of the school. The Council has power to legislate concerning general student affairs. All social activities are promoted by the Council—including regular dances and mixers sponsored after the basketball and football games and again this year they presented a monthly movie.

This year the Council with funds earned from the 1944-1945-1946 Councils purchased an electric score board. The 1947 Council, under the leadership of Irene McCall, purchased a clock for the gym, a portable record player for classroom use, new davenport and chair for the stage and a set of bleachers for the athletic field. The funds for these projects were earned by selling Coca Cola, potato chips, and popcorn each noon and dances.

In February the Council sponsored a magazine subscription drive, the money from that being used to purchase athletic equipment for both boys and girls.

The Council is an elective body being composed of members from each of the four classes in high school. The Senior class has four representatives, the Junior three, the Sophomores two, and the Freshmen one.

Each year the work of the Council is becoming more vital and the Council of 1946-1947 wishes the succeeding Councils the best for Ithaca High School.

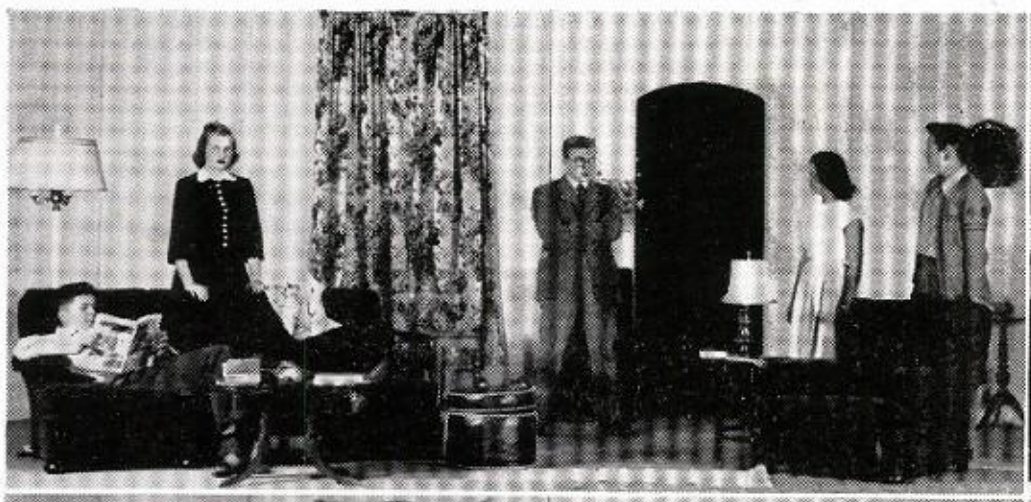
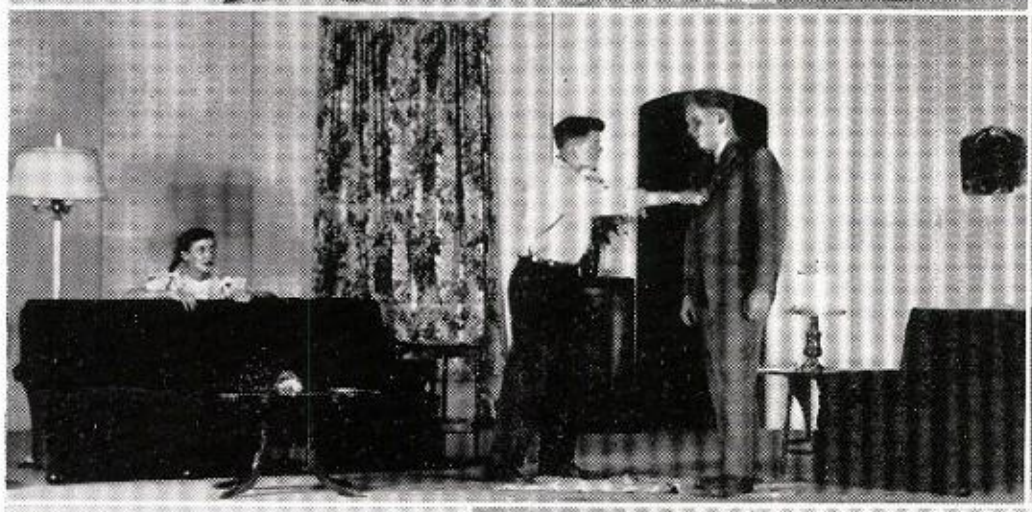
The Fortnight Growler, a bi-monthly publication of the high school, has been very ably edited by Eleanor Hooper with the assistance of the remaining members of the journalism class, with Mrs. Fowler as advisor.

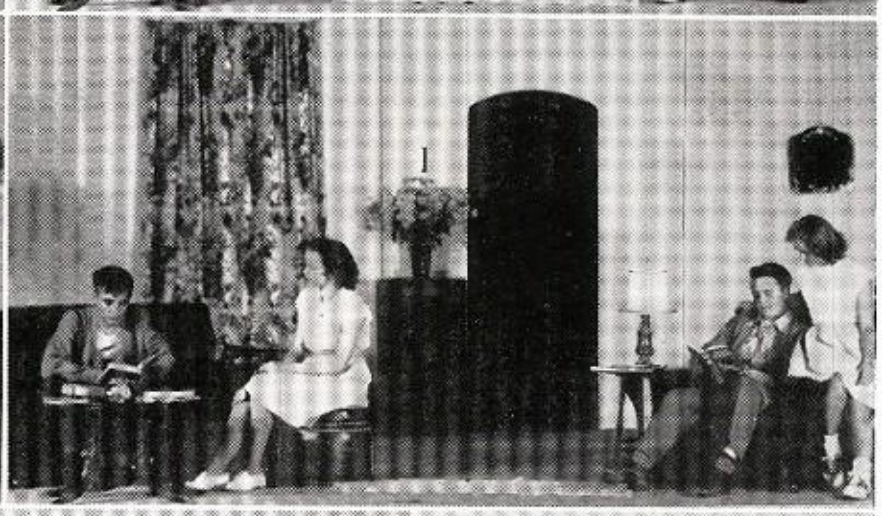
It has been the aim of the staff to present before the students all important events concerning school activities and to promote interest in school and school spirit.

Since many alumni and service men also have subscriptions, the "Growler" tends to bring to them events of great interest about activities in which they once held an active part.

It is the wish of the journalism class that with each issue, the student becomes better acquainted with the high school that is so much a part of his life at this time.







SENIOR PLAY

"Almost Summer", a comedy in three acts, was presented by the Senior Class, November 21 and 22, with the following cast: Calvin Miller, Phyllis Gross, Jim Whitman, Earl Fairchilds, Eleanor Hooper, Charles Crawford, Shirley Hearn, Warren Wiles, Doris Jean Gross and Dessa Smith.

The play was directed by Mrs. Fowler. She was assisted by a committee consisting of Virginia Benson, Margaret Whitaker, Virginia Martin, Doris Strouse, Ella Jean Davis, Lois Hayes, Colleen Williams, Betty Sparks, Volney Flegel, Keith Vernon, and Mrs. Robert Sawyer—make-up.

ONE-ACT PLAYS

The Senior Class activities Committee sponsored a night of three one-act plays, on April 9. Under the direction of Mrs. Fowler they were a huge success. Dodge Memorial Award . . . .

The Dodge Memorial Award was created by S. Earle Trudgen. It is in memory of the late Mrs. May Hewes Dodge, who contributed much to the musical life of Ithaca. TRACK

Ithaca 90 - St. Louis 36 - Shepherd 11

Ithaca 98 - St. Louis 25½ - Fulton 8½

Ithaca 64½ - Arthur Hill Sophomores 44½

We had a fairly successful season in football this year, taking the Co-Championship with Breckenridge. Our record in the Conference was three wins and two ties. As usual the old non-conference jinx caught up with us and held us without a non-conference victory, this being the fourth straight year without a non-conference win.

In basketball the record is a little brighter as we were ranked third in the state in Class C for about half of the season. We again took the Co-Championship, this time with Fulton. We took our first eight conference games but lost the last two to St. Louis and Fulton. The year's record was 15 won and 5 lost. We won the first tournament game from Fulton 38-29 in an overtime but the next night, however, we lost to Edmore 35-45.

In track this spring we had some good performance at River Rouge with Bill Hirschman taking second in the 440 in 56 seconds while Neil Crandell took third in the 65 yd. low hurdles and Luther Hull and Joe Greer took 5th and 6th respectively in the shot put.

As this goes to press we are sure of at least a tie for baseball and maybe complete Championship, depending upon how Shepherd comes out in their last games of the season.

In track we have won all of our smaller meets while coming in exceedingly good in the larger ones. At River Rouge we placed twelfth with 11½ points in a state wide meet. At the Central Michigan Relays we took second in a field of 41 teams with 19 points.

There were quite a number of individual honors bestowed on our boys this year, starting off with Chal Bauer being named to the All-Northeastern team. Also in football Forrest Bowen was named Honorary Captain.

In basketball Vic Stapleton was named to the first team of the Ithaca Tourney while Joe Greer and Dick Flegle were named to the second team. In the Conference both Dick Flegle and Vic Stapleton were named to the first team while George Whitaker and Joe Greer received honorable mention. Vic Stapleton was named Honorary Captain.

TIME OUT

TRYING FOR A BASKET

JUMP BALL

"Athletics and activity for all" is the motto for the girls gym classes. Basketball is the most popular sport and the outstanding players are shown in the pictures. The first team defeated the Alumni, lost to the College at Mt. Pleasant and defeated the Mt. Pleasant High School girls. The second team defeated Saginaw and the Freshmen took a Bay City team at the Midland Play Day.

The Sophomores won the Class Team Tournaments. The other classes were eliminated only by one basket or an over time period.

Softball, tennis, badminton and tumbling are also popular activities at the gym.

Ithaca High School
(Good one too)

Marjorie ("Rey") dear,

This won't be as nice as your write in my book, but I will do as is expected of me. First - I'm going to tell you what I think of you, I have had a lot of gals friends, and still think they are nice, but you beat them all, and I sure hope it is for good. I've often thought about when school is out and you have gone to nursing School and I've gone some else, how terrible it will be not to see each other, and if it is a long time if our friendship will be the same (I sure hope it always will last).

Well that's enough for that. Remember our Sophomore year when we went to "Roy's" lake the last day of School and then when we went to Crystal Lake and ate our dinner in the rain. You know you got a kick outta, we did go to Crystal Skating May 24, some night!!! Don't ever forget Pelva and the jelly she got that night; I wonder if they will ever go together. Don't ever forget the times we've had in school these 4 yrs. I wish we could be in our classes together next year, but I guess it just can't be. Keep your fingers crossed about getting a job ~~next~~ this year, and hoping we will together.

You Know I think you are stuck ~~on~~ someone and you just won't tell me about him, or is it really Rey after all, or maybe Les., well anyway they both are swell and you're just the gal for them. Remember that night we went to that ~~dog~~ Dance at the J.H.B. and that cozy little way Pete and I had after words; and then when we hit the "4" to "1" mark, and then when Les made the slip.

I sure hope we get to go to Christ this summer a lot - and will be as lucky as Pelva, I still think she was lucky and I don't blame her a bit for going home with them.

When you get this just about two years from now you want to remember that this is Sunday evening, May 28 and we are going to see Pelva to see what happened - Oh excuse me we won't going to go to Church to hear Mr. Card.

I'm going to close this now, but I want you to always remember that I will be thinking of you no matter where I am and what I'm like.

Your loving sister
Izzie

P.S. Best wishes and good luck when you go to nursery school
